EDUCATION

University of Colorado Boulder - College of Engineering and Applied Sciences

Bachelor of Science in Computer Science | Minor in Engineering Management.

Graduating 2027

- **GPA:** 3.95/4.0
- **Relevant Coursework:** Design and Analysis of Database Systems, Data Structures, Computer Systems, Algorithms, Software Development Methods and Tools, Principles of Programming Languages.
- **Honors & Awards:** University of Colorado Dean's List (Fall 2023, Spring 2024, Fall 2024, Spring 2025)

RELEVANT PROJECTS

-
- **CU Boulder Gaming Platform** | HTML, CSS, JavaScript, PostgreSQL, Node.js, Docker
 - Developed a full-stack web application featuring University of Colorado Boulder-themed mini-games using Agile methodology and collaborative development practices.
 - Implemented a real-time leaderboard system with PostgreSQL database integration, enabling competitive gameplay tracking across multiple user sessions.
 - Containerized application using Docker for streamlined deployment and scalability, ensuring consistent development across team members.
 - Designed responsive user interfaces with HTML, CSS, JavaScript, and built RESTful API endpoints using Node.js.
 - **Restaurant Table Management System** | React, Next.js, Typescript, Supabase
 - Built a production-ready restaurant management application deployed in real commercial environments, enabling efficient table allocation and server assignment workflows.
 - Developed an interactive restaurant layout designer allowing users to create custom floor plans.
 - Implemented real-time customer tracking and table status updates using Supabase backend, improving restaurant operational efficiency by streamline server assignments.

EXPERIENCE

Target, Broomfield, Colorado

Deli Production Expert, 2024 - 2025

- Facilitated tasks of 2-3 staff members, managing food preparation, inventory levels, and ensuring product quality and safety. As well as, providing consistent customer support across multiple departments.
- Mentored and trained new employees on systematic procedures, safety protocols, and company standards, developing leadership experience through comprehensive employee orientation and hands-on training.

Pizza Hut, Thornton, Colorado

Team Member/Cook, 2021 - 2022

- Executed high-volume food preparation operations while maintaining strict adherence to food safety regulations, quality control standards, and company specifications in a fast-paced kitchen environment.
- Trained new employees in systematic operations and safety protocols, ensuring compliance with industry standards.

SKILLS

-
- **Programming Languages:** C++ (*proficient*), Java (*acquainted*), HTML (*acquainted*), CSS (*acquainted*), JavaScript (*acquainted*), MySQL/PostgreSQL (*acquainted*), Python (*acquainted*)
 - **Soft Skills:** Strong Communication, Problem-Solving, Team Collaboration, Attention to Detail
